Hi Lynn – Are the comments provided by Trudy the only additional comments beyond the comments provided in the attached e-mail? We will wait for Ned, but just want to make sure there were not additional comments that had not been transmitted.

Thanks! Chris

Subject: [EXTERNAL] RE: December 8 meeting follow-up

Hi, Chris.

I just now finally sent out the revised OU10/Area 40 letter to EPA/DTSC/RWQCB for comments. I requested all comments back from reviewers by 6 Jan; I attached the revised draft, fyi.

I did get comments back from Trudy on the SLERA on 18 Dec, but I didn't receive any back from Ned yet. I attached the email with Trudy's additional comments but please wait a bit longer to give Ned more time to review them.

A few of us have been out sick and with the holidays approaching, it may take a bit longer to wrap this up. But we have some progress!

Happy holidays to you,
Lynn

Hi Lynn – Just following up on agreements from the December 8 meeting.

- Have you sent out the revised Area 40 letter for review? Not sure if I would have been copied, but I hadn't seen it, so I am just confirming.
- How about the final comments on the IOU SLERA? I believe you were going to submit final comments by December 18.

Thanks, Chris
